With Kleintierschaukel from the realm of Laut & Luise, the doors open widely to a magical world.

A musical journey deriving from dreams, drives its audience far beyond of its musical means. No matter if loudly, or gently immune, its sound never fails to strike the accurate tune. From singing birds and dancing leaves, to dreamy woods, meadows and elds, it is playful joy the Schaukel yields, driven by moments of ecstasy.

Between driving synths and sluggish drums, it is the sound of the world which invites to dance. Melancholically in trance or time wishfully spent, you escape for a moment to wonderland. Resembling a face otherwise only known from a tale, it is the magic of the Schaukel which you entail.
